Please answer these survey questions about the church(es) you serve or are part of. There are no wrong answers and this is not an assessment of the person answering.

Seven Questions to Ask UM Churches in the _____ Conference

1. What is your church currently doing in the area of **creation care**? (lighting, heating, landscaping, programming, recycling, advocacy, learning worshiping, etc.)

2. How **organized** are your efforts in these activities and for how long?

3. What **vision** is there for the future and/or **openness** to establishing a Green Team?

4. Does your church engage in any **foreign mission** work or trips? Where? (Mission engagement exposes church to other cultures and makes people aware of effects of climate change, pollution, etc. around the world.)

5. How aware is your church about **UM policies and resources** on climate justice and creation care?

6. Is there **anyone else** I should talk to about these questions? Contact info?

7. Would you or someone you know be interested/willing to serve on a **conference level creation care team** (Green Team)? Contact info?
